Correction for 'Multivalent presentation of carbohydrates by 3<sub>14</sub>-helical peptide templates: synthesis, conformational analysis using CD spectroscopy and saccharide recognition' by Nitin J. Pawar *et al.*, *Org. Biomol. Chem.*, 2015, **13**, 11278–11285.

The structure of lactose 14 in Scheme 2 was given incorrectly. The correct structure is shown below.

OH HO OH 14 β-D-Lac-ONH

In addition, glucose was incorrectly abbreviated as D-glu throughout the article and should be read as D-Glc. The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
