Correction for 'A convenient domino Ferrier rearrangement-intramolecular cyclization for the synthesis of novel benzopyran-fused pyranoquinolines' by Paseka T. Moshapo *et al.*, *Org. Biomol. Chem.*, 2016, DOI: 10.1039/c5ob02536b.

The authors regret two errors in their original paper. The ratio of products in Table 2, column 5 should read (⁴C₁ : B_{1,4}) instead of (⁴C₁ : ²S₀). In addition, throughout the Experimental section and entries 14 and 15 in Table 2, ²S₀ should read B_{1,4}.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
