Correction: Chemistry of aromatic polythioesters and polydithioesters

Daisuke Abe, Yuichiro Fukuda and Yuji Sasanuma*

Correction for 'Chemistry of aromatic polythioesters and polydithioesters' by Daisuke Abe, *et al.*, *Polym. Chem.*, 2015, **6**, 3131–3142.

The authors regret the wrong arrangement of the *trans* fractions derived from MO calculations for the S–CH_2 bond in Table 1 of the original paper. The corrected version of Table 1 is as shown below.

Table 1 Vicinal coupling constants and *trans* fractions (p_t's) of $3DBS_2$ and $3DBS_4$
