Correction for 'Rational design of functionalized polyacrylate-based high internal phase emulsion materials for analytical and biomedical uses' by Gloria Brusotti *et al.*, *Polym. Chem.*, 2016, DOI: 10.1039/c6py01992g.

The authors regret an error in the original manuscript regarding the word “polysorbate”. Throughout the text “polysorbate” should be “sorbitan monooleate” (or “Span 80”).

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
