Correction for 'Nanostructuring of nanoporous iron carbide spheres *via* thermal degradation of triple-shelled Prussian blue hollow spheres for oxygen reduction reaction' by Mohamed B. Zakaria *et al.*, *RSC Adv.*, 2016, 6, 10341–10351.

The author regrets that the affiliations list presented in the original article requires amendment to reflect precisely where the reported work was carried out. The work reported in the original article was performed at Tanta University, Egypt, and the institutions listed as affiliations “a” and “b” in the original article have therefore been omitted herein.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
