Correction: Towards a fine-tuning of surface chemistry in aligned carbon nanotubes induced by nitrogen plasma discharge post-treatment: a combined microscopic and spectroscopic study

Laith Hussein*

Correction for 'Towards a fine-tuning of surface chemistry in aligned carbon nanotubes induced by nitrogen plasma discharge post-treatment: a combined microscopic and spectroscopic study' by Laith Hussein *et al.*, *RSC Adv.*, 2016, 6, 13088–13100.

In the original manuscript, one of the assignments in the "O4" cell in Table 2 was displayed incorrectly. The final line of text in this cell should read "O–C–O", rather than "O–C–C".

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
