## Correction: Simple biphenyl or carbazole derivatives with four di(anisyl)amino substituents as efficient hole-transporting materials for perovskite solar cells

Jiang-Yang Shao,<sup>a</sup> Dongmei Li,<sup>b</sup> Kun Tang,<sup>a</sup> Yu-Wu Zhong<sup>\*ac</sup> and Qingbo Meng<sup>\*bc</sup>

Correction for 'Simple biphenyl or carbazole derivatives with four di(anisyl)amino substituents as efficient DOI: 10.1039/c6ra90102f hole-transporting materials for perovskite solar cells' by Jiang-Yang Shao et al., RSC Adv., 2016, 6, 92213-92217.

In the original manuscript, the CCDC number given in the ESI was incorrect. The correct CCDC number for the structure reported in the manuscript is 1507223. The correct CIF file has been uploaded with the original manuscript, and the ESI has been updated.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
