 Correction for 'A novel strategy for enhancing the electrospun PVDF support layer of thin-film composite forward osmosis membranes' by M. Obaid *et al.*, *RSC Adv.*, 2016, 6, 102762–102772.

A typographical error was present in one of the funding bodies in the Acknowledgements and the correct version is as below:

M. Obaid thanks the Egyptian government for the financial support of his PhD. study including this research work. The authors extend their appreciation to International Scientific Collaboration Program ISPP at King Saud University for funding this research work through ISPP-002.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
