Correction for 'Unique post-translational oxime formation in the biosynthesis of the azolemycin complex of novel ribosomal peptides from *Streptomyces* sp. FXJ1.264' by Ning Liu *et al.*, *Chem. Sci.*, 2015, DOI: 10.1039/c5sc03021h.

In the Conclusions section of the manuscript, the species of *Streptomyces* is displayed incorrectly; it should be "*Streptomyces* sp. FXJ1.264" rather than "*Streptomyces* sp. FXJ1.261".

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
