The support of the Leverhulme Trust (RPG-2014-084) was regrettably omitted by the authors in the published manuscript. The updated acknowledgements section is as follows:

The Royal Society of Chemistry apologises for this error and any consequent inconvenience to authors and readers.

### Acknowledgements

We thank Fluorochem for the gift of reagents, the EPSRC National Mass Spectrometry Service for HRMS analysis and the EPSRC (EP/L016621/1), Leverhulme Trust (RPG-2014-084), Queen Mary, University of London and the University of Southampton for funding. JEML is a European Commission Marie Skłodowska-Curie Fellow. SMG is a Royal Society Research Fellow. This project has received funding from the European Union's Horizon 2020 research and innovation programme under the Marie Skłodowska-Curie grant agreement No. 660731.
