CORRECTION

Correction: Excitation of vibrational soft modes in disordered systems using active oscillation

Elsen Tjhung[a] and Takeshi Kawasaki*[b]

Correction for 'Excitation of vibrational soft modes in disordered systems using active oscillation' by Elsen Tjhung *et al.*, *Soft Matter*, 2016, DOI: 10.1039/c6sm00788k.

In the above article, in the introduction,

'...the matrix size is dN × dN, where N is the particle number.'

should read:

'...the matrix size is dN × dN, where N is the particle number.'

Additionally, in the top row of the Fig. 2 caption,

'Real time displacements of the particles: $\mathbf{r}_i(t + \Delta t) - \mathbf{r}_i(t)$ for increasing driving amplitudes ω_d from left to right.'

should read:

'Real time displacements of the particles: $\mathbf{r}_i(t + \Delta t) - \mathbf{r}_i(t)$ for increasing driving frequencies ω_d from left to right.'

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
