Correction for 'Impedimetric measurement of DNA–DNA hybridisation using microelectrodes with different radii for detection of methicillin resistant *Staphylococcus aureus* (MRSA)' by Poh Quan Li *et al.*, *Analyst*, 2017, **142**, 1946–1952.

The authors regret that incorrect affiliations were shown for some of the authors. The corrected list of authors and affiliations for this paper is as shown above.

Also, in the Acknowledgements section some funder information was missing. The correct section is shown here:

Acknowledgements

D. C. would like to thank Edinburgh University for funding and ARM for supervision and support of laboratory work, the Advanced Forming Research Centre (AFRC), University of Strathclyde for Route to Impact Funding and the Dowager Countess Eleanor Peel Trust for a Minor Medical Grant. In addition, D. C. would like to thank Dylan Bennett for performing preliminary experiments. A. P. would like to thank both the Schools of Chemistry and Engineering, University of Edinburgh for funding his PhD studentship. All the authors would like to thank Professor Anthony J. Walton, Dr Andrew Bunting and Ewen Blair all from the Scottish Microelectronics Centre for useful discussions on microfabrication. Data used within this publication can be accessed at (10.15129/6651393c-b1f1-423b-ad66-55ce785dde4d).

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
