Correction for 'The macroscopic wettable surface: fabricated by calix[4]arene-based host-guest interaction and chiral discrimination of glucose' by Yue Sun *et al.*, *Chem. Commun.*, 2016, **52**, 14416–14418.

In the original manuscript, the structures of D- and L-glucose were incorrectly assigned in Scheme 1. To clarify this error, a new version of the scheme is provided herein, in which the structures of D- and L-glucose have been correctly portrayed.

Scheme 1 Design and synthesis of S-mandelic acid-appended calix[4]arene (S-MC4).

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
