The authors regret that the funding information in the original article is incomplete. The corrected acknowledgements text is presented below.

The authors thank W. Tisdale and S. K. Ha for the use of an IR spectrometer for the stability measurements. This study was supported by the Institute for Soldier Nanotechnologies under Grant Number W911NF-13-D-0001 (M. N.), as part of the Center for Excitonics, an Energy Frontier Research Center funded by the US Department of Energy, Office of Science, Office of Basic Energy Sciences under Award Number DE-SC0001088 (L. N., PL decay experiments) and by the US Department of Energy under Award Number DE-FG02-07ER46454 (S. N. B., PL decay experiments).

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
