Correction for 'Studies on the crystal structure and arrangement of water in sitagliptin L-tartrate hydrates' by Eszter Tieger et al., CrystEngComm, 2016, 18, 3819-3831.

The sentence in the acknowledgement, which read "This work was supported by the Grant Agency of Czech Republic (grant no. 106/14/03636S)." in the original manuscript should have read "This work was supported by the Czech Science Foundation (grants no. 106/14/03636S and 16-10035S)."

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
