We, the named authors, hereby wholly retract this *Catalysis Science & Technology* article due to unattributed text overlap with two of our other published works^{1,2} and notable similarities between the text in section 3 of our article and the introduction in ref. 3.

We apologise for any consequent inconvenience to authors and readers.

Signed: Anita Routaray, Nibedita Nath, Tungabidya Maharana and Alekha Kumar Sutar.

Retraction endorsed by Anna Simpson, Executive Editor for *Catalysis Science & Technology*.
