Correction for 'A mechanistic understanding of the degradation of trace organic contaminants by UV/hydrogen peroxide, UV/persulfate and UV/free chlorine for water reuse' by Wei Li et al., *Environ. Sci.: Water Res. Technol.*, 2017, 3, 128–138.

The authors regret the omission of one of the authors, Christina K. Remucal, from the original manuscript. The corrected list of authors and affiliations for this article is as shown in this Correction.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
