Correction for 'An intravascular bioartificial pancreas device (iBAP) with silicon nanopore membranes (SNM) for islet encapsulation under convective mass transport' by Shang Song *et al.*, *Lab Chip*, 2017, 17, 1778–1792.

Funding support from the NIH/NIDDK SBIR award #R43DK104299 was mistakenly omitted from the Acknowledgements section. The corrected Acknowledgements section is given below:

This research was supported by National Science Foundation (NSF) Graduate Research Fellowship (SS), Harry Wm. & Diana V. Hind Distinguished Professorship in Pharmaceutical Sciences II (SR), the Juvenile Diabetes Research Foundation (JDRF), and the NIH/NIDDK SBIR award #R43DK104299. We would like to thank colleagues Gregory Szot and Vi Dang for their help with mouse islet isolation, and Eun Jung Kim for SEM images of explanted SNM.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
