Correction for 'The nanotipped hairs of gecko skin and biotemplated replicas impair and/or kill pathogenic bacteria with high efficiency' by X. Li, *et al.*, *Nanoscale*, 2016, 8, 18860–18869.

The authors would like to draw attention of readers to a correction of the published article:

On page 18865 in Fig. 4 the figure caption for (b) should read “live and dead characterisation of *S. mutans* cells on the gecko replica for comparison with (a).”

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
