Correction for '*In vivo* evaluation of photodynamic inactivation using Photodithazine® against *Candida albicans*' by J. C. Carmello, et al., *Photochem. Photobiol. Sci.*, 2015, **14**, 1319–1328.

The authors would like to correct Table 1, as the data for PDZ concentration 0.0 and light fluence 0.0, and the data for PDZ concentration 75.0 and light fluence 0.0, appear in the incorrect position in the published article. The correct Table 1 is shown below.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
