Correction for 'Copper(II) gluconate (a non-toxic food supplement/dietary aid) as a precursor catalyst for effective photo-induced living radical polymerisation of acrylates' by Vasiliki Nikolaou *et al.*, *Polym. Chem.*, 2015, **6**, 3581–3585.

The authors regret the omission of a funding source from the Acknowledgements section in the original manuscript. The corrected Acknowledgements section for this paper is as shown below.

Acknowledgements

We appreciate financial support from the University of Warwick. Equipment used in this research was supported by the Innovative Uses for Advanced Materials in the Modern World (AM2), with support from Advantage West Midlands (AWM), and partially funded by the European Regional Development Fund (ERDF). D. M. H. is a Royal Society/Wolfson Fellow. We gratefully thank King Abdulaziz City for Science and Technology (KACST) for funding a studentship (Fehaid Alsubaie).

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
