Correction: Raw product of rare-earth ore works as a high-*k* gate insulator for low-voltage operable organic field-effect transistors

 Xue-feng She,^{ab} Jingsong Wang,^a Qingguo Xue^a and Wentao Xu^{*bc}

 Correction for 'Raw product of rare-earth ore works as a high-*k* gate insulator for low-voltage operable organic field-effect transistors' by Xue-feng She *et al.*, *RSC Adv.*, 2016, 6, 114593–114598.

The structure of the cyanoethylated pullulan polymer depicted in Fig. 1 was incorrect and the correct structure of the polymer unit is represented below:
