Correction for 'Dual-initiator alkoxyamines with an *N*-*tert*-butyl-*N*-(1-diethylphosphono-2,2-dimethylpropyl) nitroxide moiety for preparation of block co-polymers' by G rard Audran *et al.*, *RSC Adv.*, 2017, 7, 4993–5001.

The authors would like to update their acknowledgements to remove the references to Paul Br mond and the funding provided by the A\*MIDEX project (ANR-11-IDEX-0001-02) funded by the French Government program 'Investissements d'Avenir', managed by the French National Research Agency (ANR).

The corrected acknowledgements text is presented below.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.

## Acknowledgements

SRAM, GA and TY thank Aix-Marseille Universit , CNRS, and ANR (grant NAR ANR-14-CE16-0023-01). SRAM and ME are grateful to the Russian Science Foundation (grant 15-13-20020) for supporting this work and to the Multi-Access Chemical Service Center, SB RAS, for spectral analyses and for measurements. EB and ME thank the Russian Science Foundation for Basic Research (15-03-05250) for financial support of this work.
