Correction for 'A facile approach to fabrication of well-dispersed NiO–ZnO composite hollow microspheres' by Qingshui Xie *et al.*, *RSC Adv.*, 2013, 3, 24430–24439.

A slightly incorrect photoluminescence spectrum of ZnO was presented in Fig. 10 of this article; the corrected spectrum is shown below and does not affect the scientific conclusions reached in this work.

Fig. 10 The photoluminescence spectra of ZnO, NZ1, NZ3 and NZ6 composite hollow microspheres.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
