Correction: Analysis of moisture diffusion mechanism in structured lipids using magnetic resonance imaging

 Sravanti Paluri,^a Mohammed Shavezipur,^a Dennis R. Heldman^{ab}
 and Fatemeh Maleky^{*b}

 Correction for 'Analysis of moisture diffusion mechanism in structured lipids using magnetic resonance imaging' by Sravanti Paluri *et al.*, *RSC Adv.*, 2015, 5, 76904–76911.

The authors regret that one of the original statements of their article is somewhat misleading. In the original manuscript the authors commented regarding eqn (3) that “exponent n for any geometry was defined by aspect ratio of $2a/l$ where $2a$ is the diameter and l is the thickness”. This is somewhat misleading and should be “here exponent n for any geometry varies with the aspect ratio of $2a/l$ where $2a$ is the diameter and l is the thickness”.³⁹

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
