Correction: The load-bearing ability of a particle raft under the transverse compression of a slender rod

Pingcheng Zuo, Jianlin Liu* and Shanpeng Li

Correction for 'The load-bearing ability of a particle raft under the transverse compression of a slender rod' by Pingcheng Zuo et al., *Soft Matter*, 2017, DOI: 10.1039/c6sm02752k.

The authors would like to correct an error in the published eqn (1). The correct version of eqn (1) is shown below:

$$\frac{1}{(r + r_0)\sqrt{1 + \dot{r}^2}} - \frac{\ddot{r}}{(1 + \dot{r}^2)^{3/2}} = -\kappa^2 z \quad (1)$$

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
