The authors would like to correct an error in the published eqn (1). The correct version of eqn (1) is shown below:

$$\frac{1}{(r+r_0)\sqrt{1+\dot{r}^2}} - \frac{\ddot{r}}{(1+\dot{r}^2)^{3/2}} = -\kappa^2 z \tag{1}$$

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
