Correction: Statistical theory of polarizable target compound impregnation into a polymer coil under the influence of an electric field

A. L. Kolesnikov,^{*a} Yu. A. Budkov,^b E. A. Basharova^c and M. G. Kiselev^{de}

Correction for 'Statistical theory of polarizable target compound impregnation into a polymer coil under the influence of an electric field' by A. L. Kolesnikov *et al.*, *Soft Matter*, 2017, DOI: 10.1039/c7sm00417f.

The authors regret the omission of an affiliation of one of the authors, M. G. Kiselev, from the original manuscript. The corrected list of affiliations for this paper is as shown above.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
