Correction: Feedback control of photoresponsive fluid interfaces

Josua Grawitter*ab and Holger Starka

Correction for 'Feedback control of photoresponsive fluid interfaces' by Josua Grawitter et al., Soft Matter, 2018, 14, 1856–1869.

In Table 1, the Marangoni number, $M_g$, is mistakenly reported as $1.2 \times 10^5$. In fact, the value used in our simulations was $1.2 \times 10^4$. We can confirm that our findings are robust for larger values of $M_g$.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
