The authors regret that there was an error on page 698 of the original article. The text originally read, "The space group of the crystal was $P3_2$ and the antipode (+)-5 gave the $P3_1$ system." This should have read, "The space group of the crystal was $P3_1$ and the antipode (+)-5 gave the $P3_2$ system."

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
