Correction for 'CNTs grown on nanoporous carbon from zeolitic imidazolate frameworks for supercapacitors' by Jeonghun Kim et al., *Chem. Commun.*, 2016, **52**, 13016–13019.

The authors regret that there was an error on page 13016 of the original article and on page 2 of the Electronic Supplementary Information. The text originally read, "Co(NO₃)₂·6H₂O." This should have read, "Co(CH₃COO)₂·4H₂O."

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
