Correction for 'Compressible colloidal clusters from Pickering emulsions and their DNA functionalization' by In-Seong Jo *et al.*, *Chem. Commun.*, 2018, **54**, 8328–8331.

The authors regret that there was an error in the funding information in the original article. The sentence “DP acknowledges partial support from the US National Science Foundation under Award Number DMR-1610788” was incorrect and should be replaced with “DP acknowledges support from the US Army Research Office (Grant number W911NF-17-1-0328).”

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
