 Correction for 'Boronate based fluorescence (ESIPT) probe for peroxynitrite' by Adam C. Sedgwick *et al.*, *Chem. Commun.*, 2016, **52**, 12350–12352.

The authors regret that in Scheme 1 of the original article a resonance arrow was used instead of an equilibrium arrow. The corrected Scheme 1 is shown below.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
