 Correction for 'A ratiometric fluorescent probe for peroxyxynitrite prepared by *de novo* synthesis and its application in assessing the mitochondrial oxidative stress status in cells and *in vivo*' by Dong-Ye Zhou *et al.*, *Chem. Commun.*, 2018, **54**, 11590–11593.

The authors regret that articles reporting the synthesis of near-infrared emitting fluorophores were not cited in the original article. The missing references are shown in the references section below as ref. 1, and should be cited in the original paper in the final paragraph on page 11590.

The authors sincerely apologise for this oversight.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
