Correction for 'Enhanced photocatalytic activity of TiO₂-Cu/C with regulation and matching of energy levels by carbon and copper for photoreduction of CO₂ into CH₄' by Yabin Yan *et al.*, *CrystEngComm*, 2016, 18, 2956–2964.

The authors regret an omission in the acknowledgement section for the original manuscript. The correct acknowledgement for this work is as follows:

This work was supported by the National Natural Science Foundation of China (No., 21173121 and 51372120). The authors would like to thank Dr. Pi and Dr. Wu (TEDA Applied Physics Institute, Nankai University for the energy-dispersive X-ray spectroscopy (EDAX) tests. The authors also thank Prof. Yihong Ding from State Key Lab of Theoretical and Computational Chemistry, Jilin University, for his help with the theoretical calculation part.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
