Correction for 'Na₄Ca(CO₃)₃: a novel carbonate analog of borate optical materials' by Sergey V. Rashchenko *et al.*, *CrystEngComm*, 2018, 20, 5228–5232.

rsc.li/crystengcomm

In the version of this article originally published, the unit cell of Na₄Ca(CO₃)₃ given in the abstract as 15.5770(5) is incorrect and should be 14.5770(5) as given in Table 1 of the article.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
