The author would like to correct a typographical error in eqn 2.26 of the published article. The amended equation should read:

$$G(A, \sigma, \sigma_t; \beta) = \sigma_t^2 u_1^2 K(0) + \frac{\sigma^2 [u_1^2 K^2(t) + \Gamma]}{K(0)} - 2K(t) u_1^2 \sigma \sigma_t \\ + 2A[\sigma_t K(0) - \sigma K(t)] \frac{dK(t)}{dt} + A^2 [K^2(0) - K^2(t)]$$

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
