Correction for 'Promoting the oxygen reduction reaction with gold at step/edge sites of Ni@AuPt core-shell nanoparticles' by Hao Wang *et al.*, *Catal. Sci. Technol.*, 2017, 7, 596–606.

The authors wish to amend the Acknowledgements for the manuscript.

The sentence beginning "The DFT calculations..." should read:

The DFT calculations were performed on TianHe-1(A) at the National Supercomputer Center in Tianjin, China, and using resources of the Center for Functional Nanomaterials, which is a U.S. DOE Office of Science Facility, and the Scientific Data and Computing Center, a component of the Computational Science Initiative at Brookhaven National Laboratory under Contract No. DE-SC0012704.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
