Correction for 'High pH promoting the synthesis of V-Silicalite-1 with high vanadium content in the framework and its catalytic performance in selective oxidation of styrene' by Jing Zhao *et al.*, *Dalton Trans.*, 2018, **47**, 11375–11385.

The authors regret an error in Scheme 1 of the version of this article originally published. The correct Scheme 1 for this paper is as follows:

**Scheme 1** Schematic illustration of the oxidation of styrene to styrene oxide, benzaldehyde and phenyl acetaldehyde using D-V-Silicalite-1.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
