## Correction: Design of anaerobic membrane bioreactors for the valorization of dilute organic carbon waste streams

Correction for 'Design of anaerobic membrane bioreactors for the valorization of dilute organic carbon waste streams' by Brian D. Shoener *et al.*, *Energy Environ. Sci.*, 2016, **9**, 1102–1112.

Regrettably, we have identified some mistakes in the units of value presented in this manuscript. Specifically:

On page 1102, right column, line 5, the units “kW h kg carbon<sup>−1</sup>” should read “W h kg carbon<sup>−1</sup>”.

In Table 2, the units for “Membrane cost” should be “\$ m<sup>−2</sup>” rather than just “m<sup>−2</sup>”.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
