Correction for 'Visible-light-induced regioselective sulfenylation of imidazopyridines with thiols under transition metal-free conditions' by Rajjakfur Rahaman et al., Green Chem., 2018, 20, 141-147.

The authors regret a mistake on the second page of their manuscript, in line 10 of the Results and discussion section, whereby '1.1 equiv.' should read '0.6 equiv.' instead.

The corrected sentence is "A higher yield of 3a was obtained when 0.6 equiv. of 2a was employed (Table 1, entry 2)." The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
