Correction for 'Adsorption of sucrose on zeolites' by Iris Fornefett et al., Green Chem., 2016, 18, 3378-3388.

The authors regret two mistakes in chapter 4.2 of their manuscript (p. 3380), where an incorrect value of  $6.7 \times 10^{-16}$  m<sup>2</sup> s<sup>-1</sup> was twice reported as the diffusion coefficient of sucrose. The corrected value should read  $1.0 \times 10^{-14}$  m<sup>2</sup> s<sup>-1</sup> in both instances.

The authors lastly regret a mistake in eqn. (11) on page 3383. The corrected equation should read p = Si/Al.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
