Correction: Recent advances in air electrodes for Zn–air batteries: electrocatalysis and structural design

Xiaoyi Cai,^b Linfei Lai,^{*ab} Jianyi Lin^b and Zexiang Shen^{*b}

Correction for 'Recent advances in air electrodes for Zn–air batteries: electrocatalysis and structural design' by Xiaoyi Cai et al., *Mater. Horiz.*, 2017, 4, 945–976.

The authors regret an error in the citation on page 968, line 8, “Even after 1500 pulse cycles, no significant voltage degradation was observed (Fig. 18e).⁹⁷” should be “Even after 1500 pulse cycles, no significant voltage degradation was observed (Fig. 18e).²³⁸”

Additionally, on page 976, reference 238 should read: “D. U. Lee, J.-Y. Choi, K. Feng, H. W. Park and Z. Chen, *Adv. Energy Mater.*, 2014, 4, 1301389.”

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
