rsc.li/nanoscaleCorrection for 'Towards wireless highly sensitive capacitive strain sensors based on gold colloidal nanoparticles' by H. Nesser *et al.*, *Nanoscale*, 2018, DOI: 10.1039/c7nr09685b.

The authors have noticed an error in the published article; eqn (1) contains a minus sign that should not be present. The correct version of the equation is given below:

$$R \propto e^{\left[\beta l + \frac{E_c}{k_B T} \right]} \quad (1)$$

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
