Correction for 'Ti₂C₃T_x nanosheets as photothermal agents for near-infrared responsive hydrogels' by Changyu Yang *et al.*, *Nanoscale*, 2018, **10**, 15387–15392.

The authors would like to draw the attention of the readers to an error in the published article. In the title and throughout the manuscript, the material discussed is actually Ti₃C₂T_x and not Ti₂C₃T_x as stated.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
