Correction for 'Preparation of glycerol monostearate from glycerol carbonate and stearic acid' by Li Han et al., *RSC Adv.*, 2016, 6, 34137–34145.

The authors regret that Fig. 6 in the original article was incorrect. The caption referred to ^{13}C NMR spectra, whereas the figure itself was an expanded version of the ^1H NMR shown in Fig. 5. The correct version of Fig. 6 is presented below.

Fig. 6 ^{13}C NMR spectra of GMS.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
