Correction

In addition, on page 24359 in the sentence “Pre-edge peak arises due to intermixing of Fe/Zn 3d and O 4p states”, “O 4p” should be replaced by “4p”. The correct sentence is as follows:

“Pre-edge peak arises due to intermixing of Fe/Zn 3d and 4p states”.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
