Correction for 'Expanding analytical tools for characterizing ultrasmall silica-based nanoparticles' by B. Yoo et al., RSC Adv., 2017, 7, 16861–16865.

The authors regret that a Conflicts of interest section was not shown in the original article. The correct Conflicts of interest section is shown below.

Conflicts of interest

The authors declare the following competing interests: the subject matter presented herein may be covered by one or more US or international patent applications. MSK, Cornell, and two investigators involved in this study have a financial interest in Elucida Oncology, Inc.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
