Correction for 'Hypoxia inducible factor (HIF) as a model for studying inhibition of protein–protein interactions' by George M. Burslem *et al.*, *Chem. Sci.*, 2017, 8, 4188–4202.

The authors regret that there are additional errors in the original manuscript that were not noted in the first correction notice.

Table 1 is incorrect in the original manuscript as a number of citations were incorrectly numbered and some PDB IDs were omitted from the original table. The correct table is displayed below.
