Correction: Infiltrated porous oxide monoliths as high lithium transference number electrolytes

Jelena Popovic,*a George Hasegawa,b Igor Moudrakovskia and Joachim Maiera

The authors regret a mistake in Fig. 3a, where $I = 0.82 \, \mu A$ should be replaced with $I = 82 \, \mu A$. Additionally, in ref. 37, ‘ref. 34’ should be replaced with ‘ref. 36’.

The Royal Society of Chemistry apologises for these errors and any consequent inconvenience to authors and readers.
